INTRODUCTION

Dear Prospective Student,

Greetings in the Name of Jesus, and welcome to The Japan Bible Institute Ministries. Thank you for your interest in our school.

If God has placed a desire in your heart for a Christian Education and/or Ministerial Training, then we encourage you to carefully read and prayerfully examine this catalog. We offer degrees that could open many career opportunities in your service for the Lord.

OUR LEGITIMATE STANDING

The Japan Bible Institute Ministries is formally organized with a Board of Directors and Articles of Organization, Constitution, and By-Laws. We are affiliated with the Full Gospel of Christ Fellowship, Inc. In accordance with Rom.13:1-7, (sanctioning Human Government), The Japan Bible Institute Ministries has properly contacted the Japan Educational Ministries who, because our offerings are entirely religious, has granted us permission to carry on our activities of granting religious degrees.

OUR ACCREDITATION

The Japan Bible Institute Ministries is fully accredited by WORLD WIDE ACCREDITATION COMMISSION OF CHRISTIAN EDUCATIONAL INSTITUTIONS (WWAC) anyone wishing to contact them for verification may write to: The WWAC, Dr. Paul Richardson Executive President, 2800 Blendwell Rd. Richmond, Va. 23224.

We wish to make it perfectly clear that due to the principle of separation of Church and state Mk. 12:17;Ja. 4:4;2Cor. 6:14, the WWAC has chosen not to seek endorsement by either EAES or COPA, but is a rapidly growing and respected network of over 200 schools on the cutting edge of the cause of Christ.

EXPLANATION ABOUT ACCREDITATION

To be accredited means that an impartial group of professional scholars has investigated an institution and has approved of its standards of operation.

There is no such thing as Federal or State accreditation of a Bible school, for civil government has no authority to regulate religious training or what certificates we issue for it. This is an issue of separation of church and state, as Jesus said, "Render to Caesar the things that are Caesar's, and to God the things that are God's". Mark 12:17.

Civil authorities must never officially endorse or disapprove directly or indirectly the beliefs and practices of churches or their Bible Schools. A

casual survey of Church history shows that such linkage with Caesar eventually leads to infringement upon conscience, bondage, and corruption. Therefore, to be accredited by any agency, which in turn is supervised by the U.S.A. Department of H.E.W., would to some degree be a compromise of the separation principle and constitute "friendship with the world" condemned as "adultery" by James 4:4.

In a Spiritual sense, the highest accreditation any school could have would be the blessings of Divine Providence. Our best accreditation is the successful lives and ministries of our satisfied students. Isn't graduate performance what it's really all about?

LAY WORKERS AND EXPERIENCED MINISTERS

The Japan Bible Institute is deeply committed to providing both quality Bible college programs for lay Christian workers, and seminary training for experienced ministers.

Our early courses are for Christians who wish to learn how to integrate Biblical principles into their daily lives, homes, and businesses. --- those who want to be a better witness for the Lord, and to effectively participate in their local Church, community, and country.

Our latter courses are for ministerial students, who already have a basic working knowledge of the Bible, but seek to develop more proficient ministerial skills.

THE FUNCTION AND PROCESS OF EDUCATION

Ideas rule the world of men, and new ideas have changed the course of history. Our generation has been dubbed, "The Information Age." But, today's scientific technology may be outdated tomorrow.

Therefore, the Church must rise to the occasion and meet the demands of a high-tech and rapidly changing society. The Japan Bible Institute views Christian education as a necessity and ministerial training as urgency.

The public knows of the need for training for their secular occupations, so why should anyone suppose that evangelists and pastors need no special training? An untrained person is usually considered an amateur. Ignorance is not stupidity; it's merely a lack of information, so don't let a lack of education hold you back. All other things being equal, a smarter Christian can do better than an ignorant one.

The Japan Bible Institute holds the old, but ever fresh Holy Bible as the Manufacturer's Hand Book and the Universal Answer Book. The Word of God never changes, but our means of communication does. All Christians need a good solid foundation upon which to build their faith and life:

Basic Biblical studies are for foundation.

Systematic Theological studies are for indoctrination.

Ministerial studies are for practical application.

Our training courses will increase your effectiveness in any ministerial project you undertake. Some of our graduates are already teaching classes in local churches, and others go directly into the field of Christian Education. The best teachers teach because they love to teach, and the best students study because they love to learn.

I believe that the spiritual truths we learn on earth will be retained in our Heavenly Life, and will be built upon for eternity. If you have dreams and aspirations, your personal Christian education must not be postponed.

BIBLE COLLEGES

There are over a thousand home study Bible Institutes in the U.S.A. today, and many are just offices that mail out Bible Courses to thousands of students. Sometimes major Bible schools change to become correspondence schools, while some correspondence schools start having local classes.

Spiraling costs are a common complaint, as a residential school can cost over \$20,000 per year, which is financially infeasible. When a school gets too expensive, time consuming, and strenuous its enrollment usually begins to shrink.

Like churches there are different kinds of Schools, but types do emerge. We acknowledge many good schools around the world, but I don't believe you will ever regret your decision to complete your education with The Japan Bible Institute.

UNDERGRADUATE AND GRADUATE

The Japan Bible Institute is both a Bible College offering undergraduate's studies and a Theological Seminary providing graduate programs, so that we offer degrees on all levels.

CLASSROOM VS. HOME OFFICE

Considerable time can be used up getting to and from a classroom, and more time can be consumed assembling, hearing comments about the weather, the latest gossip, non-applying announcements, and other sidelines. Then, the teacher might be sick and not show up.

Traditional theological education can tend to isolate students in a cloistered environment that detaches them from involvement in vital Gospel work among sinners. Thus, graduates become groomed as “keepers of the aquarium”, rather than “fishers of men”.

Would you rather repose in an artificial cubicle a few years and get a traditional degree, or pursue a relevant active ministry, and get a non-traditional degree from The Japan Bible Institute at the same time for about ten percent of the cost?

Learning is no longer limited to the old fashioned four walls, because God has raised up a number of worthy educational resources such as The Japan Bible Institute. You can receive a legitimate degree without stepping foot on a college campus or into a university classroom. It's possible to earn your accredited Bachelor's, Master's or Doctorial degree right in the comfort of your own home. What difference does it make WHERE you read a book? The key to retaining information is repetition. But a classroom lecture is usually said and gone; whereas The Japan Bible Institute study ebooks can be reviewed as often as you wish.

HOW LONG DOES IT TAKE?

It takes a year just to get in some colleges. Then its degrees are locked into a time-served system. It can take up to six years to receive a Doctorial degree from some universities. But hanging around a campus five or six years doesn't necessarily make a person more successful than someone else who completes his or her studies in a fraction of the time. Total time elapsed is not the main ingredient of learning.

For instance, Jesus completely trained the Apostles for tremendous miracle ministries in less than 3 1/2 years. This is because our spiritual walk is not controlled by the calendar or subject to the clock. The operation of the Holy Spirit supersedes both time and space.

Therefore, The Japan Bible Institute does not follow a set semester schedule. We operate continuously year round. Whenever you're ready for us, we are ready for you. The Lord is doing a quick work in these last days. Rom. 9:28 So The Japan Bible Institute Ministries has an intensive and accelerated program of study. Our courses are so time-tailored that you could complete them in a relatively short span.

You study on your own schedule, and proceed at your own pace. As soon as we receive your application and fee, we will mail your courses to you, and you can begin to study. As soon as you complete the course, prescribed papers, and pay the proper fee, you immediately receive your degree all in record time

WHY GET A DEGREE?

There are some good reasons to pursue a solid Christian education and the degrees that go with it. It's good to learn something worthy, do something worthwhile, and earn something worth having.

Taking the Bible Courses of The Japan Bible Institute Ministries may not make you better than others, but it will make you better than you were. We should continue to grow personally and professionally throughout our lives. Most servants of God could use a little more confidence, and a degree can improve your self-esteem and image. And greater acceptance can be encouraging.

A "Doctor's" degree is like an overgrown preacher's card. It can open "Doors" for you to proclaim the message of the Master, which might otherwise remain shut. A "Doctor's" degree is like an oversized letter of recommendation. It's a bid for believability, to reassure folks of your principles, ethics, and reliability. It's not to puff up your ego, but to add a ring of authenticity to your sermon ideas.

A "Doctor's" degree is like a microphone to boost your voice for Jesus to a world lost in religious confusion. It's not to make you popular with the world, but to lend credibility to your teaching and preaching. It's not for any personal vainglory, but just to extend the influence of your ministry of God's Holy Word.

It can broaden your opportunities for service, and promote your work for the Lord. If a pulpit committee was looking over two pastoral candidates, and most things on their resumes were fairly equal, but one had a Doctor of Theology degree from The Spirit of Truth Institute, and the other didn't, it would probably tip the scales in favor of the one who had done his homework, and land him the position.

Or, if a Church member invited his boss to your Church, and the visitor inquired about your training, how would it be if your church member had to explain that you had little or no formal education. Thus, a degree could enhance your value to your Church, and promote its reputation in the community.

As a secular degree usually means increased income in the business world, so a religious degree could spiritually benefit you and result in a brighter future for your whole family. Perhaps we should rather ask why anyone would not want a degree, if it can so maximize your potential. Can you be your best for Christ without one.

NOTICE OF NON-DISCRIMINATION POLICY

The Japan Bible Institute is open to all Christians of good moral character. We are happy to instruct and train God's Children regardless of: Race, Nationality, Color, Cultural profile, Denominational background, Class, Gender, Economic status, or Ethnic Origin

Every student is admitted to the same educational programs, rights, privileges, and honors. And this is in conformity to Civil Rights Act of 1964, but not because of it.

STUDENT PRE-REQUISITES

The Japan Bible Institute requires that students seeking admission either:

- Have a diploma from a high school, or
- Have passed the general educational development (G.E.D.) test, or
- Be a mature person, who can demonstrate that they have the aptitude and capacity for doing the required work.

WHO ARE OUR STUDENTS?

Our students average 35 years or more and are self-supporting. We have a fair mix of male and female, black and white, lay Church workers, part-time and full-time ministers.

They are zealously serving the Lord in their respective callings, ministering in Hospitals, Rest Homes, Jails, Prisons, etc. Some are prominent leaders and officers in Churches of many kinds.

They are involved on the cutting edge of what God is doing in this end-time. Many are serving as Pastors or Assistant Pastors of Churches. Others are engaged in all kinds of Para-Church operations.

WE CARE ABOUT OUR STUDENTS

The administration and staff of The Japan Bible Institute are concerned about each of our students, and sincerely care about their needs. We stand ready to assist you in attaining your future goals; and we are committed to providing personal attention and encouragement. If you have any questions or comments, please feel free to write, E-Mail, or call our central office.

We will gladly reply as promptly as possible, but please realize that we receive many inquiries everyday, so please be patient and give us a few days to respond.

THE IDEAL BIBLE COURSE

The ideal Bible course should meet three specifications:

1. It must be Biblically true, doctrinally sound, spiritually rich, very understandable, and useful in your daily life.
2. It should be inexpensive, affordable, and within the reach of most everyone.
3. It should not be too time consuming, too much of an inconvenience upon one's busy schedule, and free from boring "busy work" requiring unnecessary toil and hassle.

The Holy Bible should be the Supreme Text Book of every Bible School and the steadfast criteria for judging all doctrines, practice, and experience.

Therefore, The Japan Bible Institute Ministries has put meticulous care into its courses to make sure every statement lines up with the Word of God. Each course is a well-organized body of knowledge about God, man, the Christian life, and the ministry. They are spiritually inspiring and academically excellent, yet simply expressed and readable.

Each course is divided into several separate books, which are subdivided into carefully arranged subtitles. There are questions at the end of each section to be answered while it is fresh on your mind, before going on to the next section. Each book has about 150 True or False and Multiple Choice questions, which are designed to stimulate your thinking and provoke analytical reasoning.

The courses are very user-friendly. All you have to do is:

1. Read accurately,
2. Think clearly, and
3. Make little marks.

Then you mail back only the ANSWER SHEETS for grading, which is returned to you. You keep your 8 ½" X 11" books, which range from about 24-50 pages and are usable as a ready-made devotional guide, topical handbook of important doctrines, and a helpful source of sermon notes.

VI. MESSIANIC PROPHECIES AND THEIR FULFILLMENT

The Thompson Chain Referenced Bible has a similar chart, but it contains only 37 verses. We have compiled over twice as many categories---80! This 48 page, 8 ½" x 11" book arranged in parallel columns of the Old and New Testaments immediately prove that:

There's a God, Who is omniscient.
The Bible is the inspired Word of God.
Jesus of Nazareth is the Messiah of Israel.

This is the message Jesus preached in Luke 24:24-30. Peter preached it in Acts 3:18-19. Paul preached it in Acts 17:2-3. There is overwhelming evidence for the claims of Christ and His two comings. It also contains the Seven Scriptural witnesses to the true Divine Identity of Jesus.

VII. END-TIME EVANGELISM & THE BOOK OF REVELATION

This Scripturally heavy and very timely motivational course embodies a mature approach to the vital role of the ministry of the Church in the world today.

Book 1. Serving God and Sharing Christ. Witnessing: Why, How, What, Ways, Where, Who. Results. Fruit-Gift-Ministry. Public Evangelism.

Book 2. The Book of Revelation. The end of the World. The order of end-time events.

Book 3. The Book of Revelation—Chapter by chapter. The little Apocalypse of Jesus.

Book 4. How to prepare for and deal with the coming world-wide wave of persecution of the Church. Our defense: Taking the Gospel to the streets.

The first book contains a Plan of the Ages chart. The last book contains a Dispensation chart demonstrating the difference between O.T. & N.T. standards of conduct.

COURS IV -----Masters

COURSE VII –Bachelor or Master or Doctor

REQUIRED PAPERS FOR EARNED DEGREES

The Japan Bible Institute does not require as much work of our students as Oxford and Cambridge, and as most other schools, we do not require a written paper for the Baccalaureate degree. But in addition to taking the prescribed courses, we do require a Thesis for the Master's degree and a Dissertation for the Doctorial degree. This can simply be you Christian life of service and educational training as well as future plans.

PROGRESSIVE LEVELS OF DEGREES

A degree is an academic title conferred by an institution of higher learning showing that a person has satisfactorily completed a particular program of study. The certificate is the actual document itself.

Degrees are progressive. One level is built on the preceding one, each level representing a higher work effort, and the equivalent of another year of study. The Japan Bible Institute offers all five levels: Diploma, Associate, Bachelor, Master, and Doctor:

DIPLOMA--- (40 credits) this is the first level, and like a Christian Worker's Certificate. Some schools have just a "Certificate" where we have a Diploma.

ASSOCIATE--- (usually 60-64 credits, but we require 90) the Associate Bachelor degree represents the equivalency of two years of academic study. Typically, awarded by a junior or community college.

BACHELOR--- (120-128 credits) conferred for the equivalency of four years of full-time study. But you can earn a Bachelor's degree in two or three months from some schools. "Bachelor" means that you have accumulated a "batch" of knowledge. If you receive a Bachelor's degree through credit for life work experience from The Japan Bible Institute, you are guaranteed admission into our Master's degree program, and we also encourage you to go on to the Doctor's degree program.

MASTER--- (150 credits) this represents at least one year of study beyond the Bachelor, but lower than the Doctorate, indicating that you have "mastered a subject."

DOCTOR--- (210 credits) this academic title is awarded for the completion of advanced study and is the highest degree there is. It is the ultimate in the educational world, and has been a title of respect for learned persons since Biblical times, Luke 6:46. It is traditionally held that it takes a doctor to confer a Doctor's degree upon someone else.

DEFINITIONS OF DEGREES

All of these degrees are religious in nature and not only overlap, but are sometimes thought of inter-exchangeable.

BIBLICAL SUBJECTS---the study of major Scriptural themes and the main topics of the Sacred Scriptures. Courses dealing with various doctrines of the Word of God; that which is devoted to the fundamental beliefs of the Holy Bible.

CHRISTIAN EDUCATION---general instructions in Christianity, and the study of the doctrines of Christ. Training in the teachings of Jesus Christ and the development of Christian Character.

DIVINITY---the study of the one and only Deity. Having to do with the supreme, infinite and eternal qualities of the Almighty; pertaining to the Divine Godhead or Holy Trinity. That which is inspired by God.

MINISTRY---pertaining to the work of the Lord and service for God. Training in the performance of office of clergy. Rendering help to people and caring for the saints.

THEOLOGY---the study of God and the expounding of Christology; Courses dealing with the relationship between God and the universe and man. The cultivation of the theological virtues of faith, hope, and charity.

Since our courses are rather general, we don't mind accommodating our students by granting their preference to receive their diploma, associate, bachelor, masters, or doctor's degree in Biblical subjects, Christian Education, Divinity, Ministry, or Theology, etc. because as stated above, these terms blend and overlapped in most creeds, books, and schools.

EXPLANATION OF DEGREE PROGRAMS

In the secular field there is a lot of difference between a lawyer, a butcher, a banker, and a dentist.

But in the religious field what is the difference between Divinity, Theology, Ministry, Pastoral Counseling, etc.? Actually, they overlap, for the Bible is the main textbook for them all. We have.

4 Diplomas
4 Associates
12 Bachelors
14 Masters
15 Doctors
6 Hon. Dr. Degrees

A total of 55 different certificates which is more than most schools larger than us. But we only have seven different courses at this time. (More on the way)

So when you take one of our courses, you may choose any degree on an appropriate level recommended for that course.

Some have asked, "What is the difference between a degree in Pastoral Counseling and one in Christian Counseling?" Well, one is for a Pastor and the other is someone who is not a Pastor.

Counseling is meeting together with a person and spending a season with them in detailed discussion to personally consult, advise, guide, and admonish them with the Word of God. We need to do a lot of listening, but not just listen.

A degree in counseling AND COMMUNICATION would include more teaching by way of pulpit, audiotapes, videotapes, radio, television, writing, etc.

The Japan Bible Institute Ministries offers the widest variety of religious degrees of any school its size in the U.S.A. However, we do not offer any secular "Arts" (which represents a wide scope of studies including such subjects as education, human relations, literature, etc.), or PhD degrees. A Ph.D. doesn't have to do with the study of philosophy. It is awarded for study in many fields such as Communications, Management, Education, Human Relations, etc. and is not necessarily considered a religious degree, so ***THE JAPAN BIBLE INSTITUTE MINISTRIES*** does not offer it.

HONORARY DOCTORIAL DEGREE PROGRAM

If you are a Pastor, Evangelist, or Leader of an active Christian ministry, The Japan Bible Institute Ministries may be able to grant you an Honorary

Doctorial Degree on the basis of I Timothy 5:17, if you meet the following qualifications:

- Must be at least 10 years old.
- Produce evidence that you are a licensed and ordained minister of the Gospel.
- Verify that you have at least 10 years of full-time or part-time ministerial experience.
- Prepare a TYPED one-page summary or resume of your work for the Lord.
- Secure the endorsements of two other licensed or ordained ministers or other prominent Church leaders.
- Make a \$275 contribution to the furtherance of The Japan Bible Institute.
- There is a discount for two Honorary Doctorial Degrees for a Married Couple.

You may request an application by Postal Mail or E-Mail attachment.

USE OF YOUR TITLE

Only about 5% of ministers in major cities have Doctor Degrees---but it's rapidly increasing.

If you receive a Doctorate from The Japan Bible Institute Ministries, you have a legitimate right to use the title in your public life either before or after your name, such as: Dr. Joe Smith, Joe Smith, DTh., or Rev. Dr. Joe Smith. You are honestly and ethically entitled to use your title on your business cards, letterhead, brochures, the phone book, road signs, and "Public Service Announcements" in the newspapers, if you so choose.

It's only reasonable and proper for others to address and introduce you as "Doctor so and so..." Your degree will often win you instant respect from most dignified people, but will sometimes provoke jealousy from a few folks. They may mumble, "Ah that degree doesn't mean anything." But it does! It means you have spent hundreds of hours studying hundreds of Bible verses and answering hundreds of questions correctly!

So don't be too shocked if someone discredits you, The Japan Bible Institute Ministries, our Accrediting Association, and all Education in general. Just remember II Timothy 3:12. After all, respect or disrespect is just someone's opinion---whether it's based on facts or not. Sometimes when folks judge others, they are really just judging themselves at the same time.

COMPARE THE COST

A low average cost would be over \$1,300 for a Bach. \$1,600 for a Mas. and \$1,800 for a Doc.

OUR NOMINAL PRICES

Perhaps you already knew what a degree could cost, and that many schools simply price their degrees above what the average student can afford. Why should a school charge more than is necessary for its regular operation and reasonable growth projections? The cost of a degree or the amount of time involved does not necessarily increase the quality of education. So, why pay an exorbitant fee for the very same degree that you can get elsewhere for much less money?

The goal of The Japan Bible Institute Ministries is to provide students with the finest Biblical education, at the lowest possible cost. Thus, we have deliberately priced our degrees very low, because we think we can do more good for more people this way. Our educational philosophy and methods are not unique, but in the matter of finances we are unique. The Japan Bible Institute offers the best investment you'll ever find. Following are our exceptionally low fees.

COST OF COURSE BOOKS

Course Materials are free and are delivered in ebook format and you can print them out if you like.

DEGREE FEES

DIPLOMA	\$ 195	OFFICIAL TRANSCRIPTS (INCLUDED)

BACHELOR	\$ 255	OFFICIAL TRANSCRIPTS (INCLUDED)
MASTER	\$ 275	OFFICIAL TRANSCRIPTS (INCLUDED)
DOCTOR	\$ 295	OFFICIAL TRANSCRIPTS (INCLUDED)
HONORARY DR.	\$ 315	OFFICIAL TRANSCRIPTS (INCLUDED)

If there is a different on the Website then that will be the fee.

PAY AS YOU GO

Just pay as you go. Please allow at least a couple of weeks for a response. You will receive the study course you are planning to take.

Since our overall fees are so low, there's no regular discount for combinations of degrees, except for a graduate who wishes a second doctoral degree, which would then be half price. We cannot send courses on credit or issue degrees before the appropriate fee is paid, because frankly, it's too hard to keep up with who owes what.

People wonder how we can afford to do all of this. The major assets of The Japan Bible Institute are the priceless treasures of the Word of God, and student satisfaction. We operate out of relatively small offices. All of our income goes into utilities, office equipment, supplies, typesetting, printing, and postage.

Whenever you get something of high quality at a very low price, it's a good deal. These great values are exciting, but some folks are amazed and wonder if it's too good to be true. I assure you there are no hidden costs beyond what is stated herein.

NOTE: never attempt to make homemade answer sheets, unless they are exact photocopies of the originals, because we cannot grade them. We use a grading grid.

REFUNDS

Since we have no binding contract for you to sign, like many schools, you may withdraw at any time for any reason, without obligation. You need not notify us. If we don't hear from you, we just assume you quit. Also, due to our "pay-as-you-go" system, there's never much refund due.

TRANSFERRING CREDITS

The Japan Bible Institute is willing to accept the credits you have earned from other legitimate Christian Schools whether they are accredited or not, as long as they teach the Bible

We have accepted transfer students from Rhema, Oral Roberts University, International Seminary, Ligo Bible College, Richmond Virginia Seminary. Boston University School of Social Work, New Hampshire College, Roxbury Community College, State University of New York, Orange County Community College, etc. etc. etc.

Likewise, The Japan Bible Institute Ministries credits have been acceptable at many other good schools, but whether a PARTICULAR school or agency will accept our credits and/or degrees is quite unpredictable. We cannot be responsible for the decisions and policies of others. It's a very subjective issue depending upon many circumstances. But I believe you will find most

similar schools will accept transfer from The Japan Bible Institute Ministries.

If you plan to apply for some state licensing or a faculty position at a particular educational institution, it would be best to make inquiry as to the requirements of that agency or school at which you wish your education to be recognized. At this time, a degree in counseling from The Japan Bible Institute will not allow you to set up a formal practice as a licensed professional counselor and charge fees for your services. To deal with stress, depression, anxiety, panic, phobias, and all kinds of sexual disorders for pay requires a State license.
